

Official Visitors
Program

Official Visitors are people appointed by the Minister for Mental Health and are independent from NSW Health services and staff.

Any information you give to Official Visitors is confidential and will not be shared with anyone without your consent

Official Visitors can assist you to talk to medical and nursing staff, understand your legal rights and talk about any concerns you have.

**To speak to an Official Visitor
call 1800 208 218 or email**
